COMPANY CREDENTIALS

Dekko Coatings is a professional company established in 1986, specializing in the painting, waterproofing, roofing and building maintenance sector. Our highly professional teams are unequalled in experience and commitment.

Management and monitoring of all projects is done with confidence in order to ensure that the high standards of Dekko Coatings are met. We are asbestos registered contractors and are fully compliant with all aspects of OCHSA health and safety regulations and standards set out by the NBCSA.

OUR MISSION

- ✓ To respond to quotation requests within 24 hours.
- ✓ To quote a fair market-related price for our quality services.
- ✓ To completely satisfy our clients, from quotation to completion.
- ✓ To supervise all work in progress, thereby eliminating error, maximizing efficiency and providing solutions to all our clients' requests.
